

How to get to the Austria Trend Hotel Lassalle from...

...Vienna Airport (~45 min):

1. Follow the train signs to the suburban railway station. Do not take the CAT (City Airport Train)! Take the Suburban Train S7 towards „Wien Floridsdorf“ or „Wien Südbahnhof“. Leave the train at „Wien Praterstern“. Trains from Vienna Airport leave every 30 minutes at :18 and :48.
2. From Praterstern, take the underground U1 (red) towards „Leopoldau“. Leave the train at „Vorgartenstraße“ (just one station). For the way to the hotel, please refer to the map below.

...West Train Station (Westbahnhof; ~20 min):

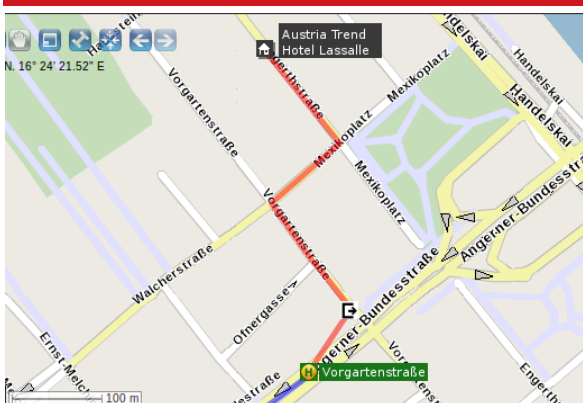

1. Follow the „U3“ signs to get to the underground U3 (orange). Take the underground towards „Simmering“ and leave the train at „Stephansplatz“.
2. Change to underground U1 (red) towards „Leopoldau“ and get off at „Vorgartenstraße“. Refer to the map below for the way to the hotel.

...Meidling Train Station (~30 min):

1. Take any suburban train that heads towards Hollabrunn (S3), Absdorf-Hippersdorf (S5), Mistelbach or Laa/Thaya (S2), Gänserndorf (S1) or Floridsdorf (several). In fact, you can take literally any train that leaves from platform 1 or 2. If you're unsure, you can take a look at the monitors at the train station – they show all the stops of every train. If „Praterstern“ is among them, the train is right for you. Take an appropriate train, leave it at „Praterstern“.
2. From there, take the underground U1 (red) towards „Leopoldau“ to „Vorgartenstraße“. Refer to the map below for walking to the hotel.
